

DRYING CABINET

FDC
RANGE

FDC 6

20KG
44LB

TWO HEATING SYSTEMS
- SHORT DRYING TIME.

FDC6 is especially developed for drying heavy duty overalls. Efficient and gentle drying procedure, the dryer has a capacity for 6 larger overalls. A large display shows symbols and text. One system dries the overall from the outside. The other system dries the overalls from the inside. One program for timed drying and three automatic programs, with the Humidity Tracking System (HTS). HTS the system that measures the level of humidity every second, to determine exactly when the textiles are dry. Programmes can also be set for other garments and station wear.

FEATURES

- Drying process from the outside and inside
- Adjustable programmes
- Drying capacity of 6 large overalls equal to 20 kg

- Drying procedure hardens the impregnation
- Gentle drying without friction
- Three automatic programs and one program for timed drying
- Indoor lighting
- Detachable hangers and racks for easier handling
- Programme ends with "cool down" to room temperature
- CE approved

OPTIONS

- Racks for gloves and boots in stainless steel
- Optional hangers to dry gloves and boots
